7. For each period of unpaid parental leave, a maximum of four months and a minimum of two months can be purchased; however, if the total period of unpaid parental leave is less than two months, the entire period of unpaid parental leave must be purchased.

Application, Election and Payment Procedures

8. An eligible member shall file an application providing the employment details of the period or periods of unpaid parental leave that he or she wishes to purchase along with certification from the City Department of Human Resources or department human resources office of 1) the entire period of unpaid parental leave, 2) the period of unpaid leave qualifies as "unpaid parental leave" under the definitions of Charter Sections A8.365-1 and A8.523, and 3) the fact that the member returned to work for the City for at least six months immediately after the expiration of the unpaid leave.
9. Once the period of unpaid parental leave has been verified by the Retirement System as eligible for purchase, a member shall make an election to purchase all or part of the eligible unpaid parental leave either through a lump sum after-tax payment, by direct rollover from another qualified plan or by pre-tax or after-tax payroll deduction.
10. The application and election to purchase service for a period of unpaid parental leave service under the provisions of Charter Sections A8.509, A8.559-10, A8.585-10, A8.586-10, A8.587-7, A8.588-10, A8.595-10, A8.596-10, A8.597-10 and A8.598-10 can be filed with the Retirement System at any time prior to retirement. A lump-sum (over the counter) payment for the purchase of public service is not eligible for pre-tax treatment under the Internal Revenue Code. Installment agreements may be for either pre-tax or after-tax treatment of payments under the Internal Revenue Code.
12. In accordance with San Francisco Administrative Code Sections 16.61-4 and 16.61-5, the Retirement System can accept rollovers from eligible retirement plans as defined in Internal Revenue Code Section 402(c)(8)(B) and transfers from Code Section 457 or 403(b) plans as payment for the purchase of public service.

In the event the member elects to purchase service for a period of unpaid parental leave through an installment agreement, interest will be charged to the member on the unpaid balance commencing on the effective date of the installment agreement through the date of completion of the installment payments, at the credited interest rate in effect for SFERS. A member who elects to purchase using an after-tax installment payment agreement may, at any time during the period for making installment payments, complete payment for the purchase of public service by after-tax lump-sum payment or direct rollover. The terms of a pre-tax installment payment agreement may not be changed during the term of the agreement except through retirement or termination of employment.
